Senior Spirit

In Appreciation

The Senior Class of 1985 would like to recognize the hard work and effort of Mrs. Nancy Linder and Mrs. Eleanor Verduin by dedicating Aurora 1985 to them. Through our four years at Saddle Brook High School, you have been more than advisors; you have been our friends. We thank you for your guidance, direction and constant support. Although we now say good-bye to Saddle Brook High School, a part of you will remain with us forever.

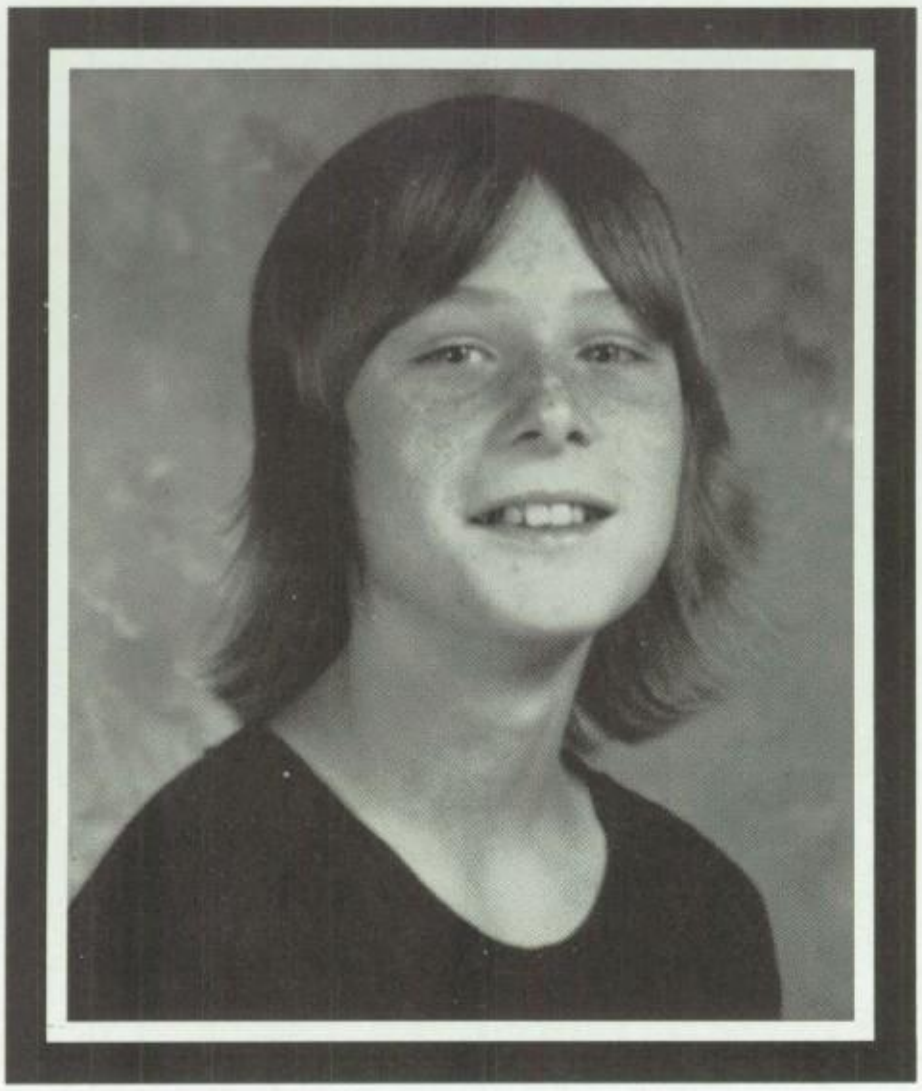
In Memory
of a Classmate
Whose Destiny Took a Different Path
From Ours



Michael Handzo

We Remember

AS FIVE-YEAR OLDS WE LEFT OUR HOMES AND SAID GOOD-
BYE TO MOTHER.
WE DID NOT KNOW WHAT WAS AHEAD, BUT AT LEAST WE
HAD EACH OTHER.
AS TIME PASSED ON, THAT FIRST DAY SEEMED SO FAR AWAY
AND YET, NOW, IT SEEMS LIKE ONLY YESTERDAY.
WHO KNEW WHAT OUR DESTINIES WOULD SHOW,
ONLY THAT WE HAD FAR TO GO.
AND NOW THIS PART OF OUR JOURNEY HAS MET ITS END
AND YOU ARE NOT HERE TO SHARE IT WITH US, MY FRIEND,
ON THAT DAY OF CAPS AND GOWNS, WE REMEMBER.

Faith . . . the Key to Success

Miss Jane Moffet, Principal

Mr. Jack Wasdyke, Vice-Principal

Dear Graduates,

Congratulations, you are members of our 25th graduating class.

There is a need —
Call it a dream —
Call it a vision —

Call it a purpose — an objective — a hope — Faith — An aim in life — An intention — Call it what you will — A quality of success is "FAITH."

FAITH in yourself!
FAITH in other men!
FAITH in what you are trying to accomplish.

Faith brings a determination to keep going against discouragement. Washington at Valley Forge and Lincoln in the terribly discouraging Civil War kept going when everything looked bleak and difficult.

A person with these qualifications — vision, faith and persistence — is likely to succeed.

In Memoriam

Anne Giglinto

The 1985 yearbook staff wishes to express our sadness over the death of Mrs. Anne Giglinto. Mrs. Giglinto, secretary to the vice-principal for three years, was a very tender, loving mother of two S.B.H.S. graduates.

We appreciate all she did to help the members of the Saddle Brook High School community.

A Turning Point for Juniors

On Friday morning, October 26, 1984, the Junior Class gathered to receive their class rings. A cold breakfast of bagels and doughnuts was served. It was a happy occasion as students turned each other's rings for good luck.

Each year on Halloween students dress up to show off their favorite costumes. The students are then judged on originality, and best costume. There are prizes for best male, best female and best group — with a new category this year — best pair. But win or lose, every one of them made the day a little brighter!

We Can Dance . .

The Student Council ran its first dance on Monday, December 17, 1984. The admission to the dance was either a can of food or $1. The proceeds of the dance went to the needy in town to brighten the holiday spirit for the less fortunate.

Shawn Dempsey has also been an inspiration. On Wednesday, February 27, 1985 the Valentine's Day Dance was held. Russ Marren and Janine Dechert were crowned King and Queen of Hearts. Money received from this dance was used to buy tickets for the Shawn Dempsey Fund Raffle.

The disc jockey this year has been "Whirlin Disc, Inc." and students were surprised to learn that Janine Burnham, a former graduate, hosted the Valentine's Dance.

Group dancing is a lot of fun as one can tell by looking at these faces.

Don't Drink the Water!

On April 25, 26, and 27, Saddle Brook High School presented Woody Allen's comedy hit, "Don't Drink the Water."

The plot revolves around a typical American family, who run into an American Embassy for asylum from the communist police. At the embassy they must meet an assortment of outrageous and zany characters: the bumbling son of the ambassador, a frantic caterer, a gay chef, a priest who thinks he's a magician and an assistant who thinks he's the Wright Brothers.

Featured in the cast are Margo Rendzia, Russell Marren, Susan Schneider, and Vinnie Lomagno.

Working for the Benefit of Others

1984-1985 Student Council

The Student Council is suffering "growing pains" this year. Their membership is over 140 members and their objective is to do more this year than ever before. They have accomplished this by holding dances on behalf of the needy in town and for the benefit of Shawn Dempsey. Members have also attended New Jersey State Student Council meetings at Rider College, Trenton State College, and at Great Adventure. Annual events included Freshmen Orientation, Halloween Dress-Up Day, Spirit Week, Valentine's Day Carnation Sale, and Easter Plant Sale. Student Council members have served as guides at "Back to School Night" and the "Open House." Through their efforts they hope to become an "honor school" next year.

Merit Program '84-'85

The Merit Program was designed to promote scholarship and personal responsibility. It gives academically above average students the opportunity to decide how to spend their school day to its greatest potential. Many students "merit out" of classes in order to study, seek extra help, or work on school projects. This year there are over 50 members of the Merit Program. Sophomores, juniors, and seniors with a grade point average of at least 3.0 are eligible for acceptance into the program. Students are selected by a governing committee of administrators, teachers, and students.

Journalismn Creates Reporters

The philosophy of the *Falcon Flyer* is to report accurately the events involving the SBHS student body, faculty and administration. All sports, contests, trips, academic and social events are approached with the objectivity of the news reporter. The purpose of the *Falcon Flyer* is to promote good relations between the community and the school by better acquainting the reader with the many aspects of school-life. The newspaper is the responsibility of the Journalism I and II classes taught by Mrs. Barnes. The staff creates and sees to completion four issues of the *Falcon Flyer* from layouts to pasteups.

Mrs. Barnes' fourth period Journalism class.

Sci-Fi Club

The Science Fiction club is an organization which meets on Wednesdays in Room 108. The club plays various role playing games such as "Dungeons and Dragons," "Star Frontiers," "James Bond," "Dawn Patrol," and "Top Secret."

The club has also made trips to gaming conventions and meets outside of school to see science fiction movies. All who join are promised an imagination stretched to the limits, and great enjoyment.

Students Witness Our Government at Work

A group of students smile for the camera.

This past November, some of the students of the American Government, World Civilizations and World Studies classes participated in a trip to visit the sights of Washington, D.C. Mr. Cahayla supervised and arranged the trip with the assistance of Mrs. Fuchs, Mrs. Milone, and Mr. Bachman. The students visited many sights including the Jefferson Memorial, Lincoln Memorial, Vietnam Memorial, Washington monument, White House, and various Smithsonian museums.

Fight, Fight, Fight for Saddle Brook!!

The year's evening pep rally gave parents and friends an opportunity to show their spirit and excitement. Each Falcon team in the fall sports season was given recognition and support to encourage them to have a winning season.

A special pep rally was held before the Thanksgiving Day football game. The entire student body was able to attend this event to cheer the players.

The band, color guard, and cheerleaders also deserve credit for helping to keep Falcon spirit alive.

Throughout the season, parents and students showed their support for the Falcon teams.

Cheerleaders boosted spirit and morale.
